-  Combination
-  Music / Performance

## Workshop Highlight

### 17. Recycled City ♿

Take part in Recycled City and help Edgelands Arts design and build a model of Wakefield city centre, using entirely recycled and eco-friendly materials.

All Recycled City activities will be family-friendly and everyone is welcome to join in the fun, for free. Organised by The Art House, funded by Wakefield BID and Wakefield Council.

Find us in the food court, opposite The Tree Bar (where we're hosting a drinks reception) on the Upper Mall of The Ridings.

Recycled City activities are also taking place Thursday 29th - Saturday 31st 10:00-15:00
