

# Printmaking

## Creative Away Day Activity

We focus on delivering great quality experiences, in professional creative maker spaces, whilst keeping ticket prices as affordable as possible. By booking with The Art House you are supporting a charity which strives to make art more accessible and allow creative opportunities for all.

We work with amazing freelance artists meaning you can get the most out of your experience and really delve into the creative practice, giving you a much-needed day of relaxation and enjoyment.

### Features:

Half Day (1-3 hours): £275

Full Day (3-6 hours): £495

Capacity Range: 1 – 12

### Screen Printing

Using paper stencils and photographic emulsion you'll produce an edition of 10 screen prints onto paper. You can screen printing directly onto textile materials such as tote bags, t-shirts etc... (please note there would be an additional cost for this.)

### Gelli Printing

Get to grips using Gelli Plates! Experiment with a variety of mark-making tools and objects to produce unique prints onto A4. This is a quick and fun process of creating artworks, without the use of a printing press.

### Monoprinting

Maximise your creativity by exploring monoprinting! Using a variety of stencils, shapes, patterns, and simple drawing techniques you'll produce a series of different A4 prints using our etching presses.

### Lino Printing

Create artwork using a piece of history! Using soft-cut lino, you'll carve your own block to produce an edition of A4 prints. You'll be using our Albion Printing Press which was restored to working condition and is on long-term loan from Wakefield Museum.

### Collograph Printing

Be experimental and create collograph plates! Explore using tapes of different textures and shapes to build your own collograph plate. By the end of the session you will have a selection of A4 prints to take home.
